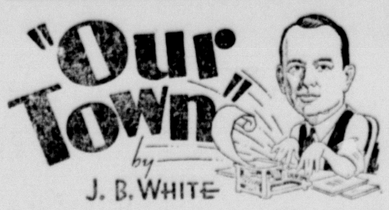
W. LEE ASKS STAY DEATH PENALTY



When the Joad Family pulled stakes and lit out for the West, John Steinbeck wrote a book called "The Grapes of Wrath." There was a storm of criticism. The government clique was upholding the hands of the President who in turn had let loose on the country the most destructive horde of official grasshoppers ever spawned by economic disorder. They killed cattle and they stopped work. Millions born and bred to the soil were uprooted and planted again God knows where. It was the economic crime of the ages in America. A few ignorant people like me could see it. But I wasn't on the government pay roll did not receive a check twice or three times a year and consequently was persona non grata. Translated in brush language that means: "You are too damn dumb to understand." In those days Santa Claus came every day to a few people. The land owners were being soaked because the administration wanted to Sovietize the tenant classes. It was the more abundant life. The way to eat is to destroy what you got and don't make any more. The government in Washington would take care of everything. Pretty soon there were thousands of Joad families. They went to Hell with government aid. Business men, small fellows who hire folks to work, pay taxes, subscribe to every cause under the sun, give away what they earn, were duped just like a lot of others were duped. Now the light is breaking through. They begin to see the hand writing on the wall. The most staggering debt ever put on a free people won't benefit us at all because we have no vital industries. We had a happy land. True it was cotton, but what's wrong with cotton. Not a damn thing until a few crack pots came along and wanted to sovietize and regiment the people who belonged to the soil. Pretty soon the land owners got wise and so the Joad families pulled west. Texas lost 14 per cent of its population based on the percentage of gain from 1920 to 1930.

The great Exodus of the AAA era will go down in history as a severe reproach. The error will some day be history's greatest blunder. In the old days people were brought in to settle up the country. In these latter days they are driven out to economic ruin and the country goes backward. Here is a picture in brief of what has happened to our country. I have compiled the figures for five counties as follows: Bell, Burleson, Falls, Lee and Milam. The combined 1940 population of these counties is 145.052. The total population of these same counties for 1930 or just ten years back was 159,945. Thus it can be seen that there has been a net loss of 14,902 in population in the past ten years according to the figures. Actually this loss has occured in the last five years and of course due to the farm program. Land owners have been forced to move their tenants out to save themselves. In some instances land owners have, it appears unnecessarily taken advantage of the government subsidy and thus have driven excellent families out of our county. Mixed with this program the government has set up competition with farmers in the employment of labor. The various work projects have almost made it impossible for labor to be obtained on seasonal demand. Primarily the population has thinned out in the rural districts and with a resulting shortage of man power. Milam countys population in 1940 is 33,120. In 1930 it was 37,915. The net loss is 4795. There can be no progress under such conditions.

A bolt of gingham may accompany parity checks in the future. Secretary Wickard who succeeded Henry A. Wallace as Secretary of Agriculture, has a brand new plan. Nothing in it to restore our country to cotton production. He wants to restrict further. In fact he has a

(Turn to page four)

HEART STROKE FATAL TO BUSINESS MAN

M. C. Fox, 54, Cameron business man and native citizen of the county, was found dead early today in his apartment in the Right Hotel.

The body was discovered by friends who went to his room to transact business. Dr. Clifford Swift, his physician was called. He had been under treatment for heart trouble and it was learned shortly after his death that he had succumed to a heart attack.

Mr. Fox at the time of his death, was distributor here for Grand Prize and Schlitz beer also 7-up. In addition he owned the Fox Service Station.

One of the pioneer automobile distributors in Cameron Mr. Fox was widely known in the twenties He later engaged in the service station business and when prohibtion was repealed he took on agency for beer.

He is survived by a brother and his former wife. He had no children.

It was believed he died sometime Sunday night. Justice of Peace Womack Brashear, held an inquest and rendered a verdict of death by heart stroke.

At the time of going to press funeral services had not been arranged. The body is at the Marek-Burns Funeral Home and arrangements will be announced late today or early Tuesday.

FUNERAL SERVICES FOR M. C. FOX HELD TUESDAY

Funeral services for M. C. Fox, 54, who died in his apartment at the Right Hotel here Monday, were held from the chapel of the Marek-Burns Funeral Home at 3 p. m. Tuesday with Rev. C. W. Sanders, pastor of First Batpist church, conducting.

Active pall bearers were Joe Kotrola, Bill Richter, Clarence Anderson, Leonard Burke, Marvin Etheridge, George Newton, Albert Richter and Roy Wohlleb.

Interment was made in the Salem cemetery.

Out of town relatives who attended the funeral were Mrs. O. B. Boyd of Georgetown, Mrs. M. B. Boyd of Taylor, Mr. and Mrs. Will Fox of Austin and Mr. and Mrs. Henry Fox of Roundrock.

MRS. JOSEPHINE STILES DIES HERE TUESDAY

Mrs. Josephine Stiles, 71, widow of the late A. W. Stiles of Thorndale, passed away Tuesday afternoon, Jan. 14, at 3:40 o'clock.

She is survived by five sons, Wilford E. Stiles of San Antonio, Elver L. Stiles of Austin, Grady H. Stiles of Victoria, Graham B. Stiles of Brownsville and J. Donavan Stiles of New York City, two daughters, Mrs. M. H. Logan of San Antonio and Mrs. H. H. Stedman of Cameron; also eight grand children and one sister, Mrs. Fred Smith of Thorndale.

Funeral services were conducted at 2 p. m. Wednesday from the residence of her daughter, Mrs. Stedman, with Rev. J. W. Mills, pastor of First Methodist Church, officiating. Interment was made in the Pleasant Retreat cemetery near Thorndale.

Mrs. Stiles was a member of the Christian Church of Cameron and had resided here for the past seven years.

JOSEPHINE NEWTON MEMBER OF UNIVERSITY ORCHESTRA

Josephine Newton of Cameron is a member of the University of Texas Symphony Orchestra which will present a concert Sunday afternoon, January 19th at Hogg Auditorium. Miss Newton plays the English horn.

Ben Westbrook of Calvert, who plays the bass violin, is also a member of the orchestra.

C. D. McCall transacted business in Houston this week.

Three Held for Store Robbery at Milano; 2 On Parole From New York Reform School

Three young men ranging in ages from 17 to 23, two of them from New York and the other from Missouri were captured Saturday afternoon in the timber belt near Milano after they had robbed the J. D. Peeples store on Friday night.

The men are: Harold Owen, 20, on parole from Elmira Reformatory in New York; Walter F. Yewchuk, 23, also on parole from Elmira Reformatory in New York state; Robert Cornell, 17 from Missouri who met the other two in Houston.

Special Ranger Jim Perkins, Highway Patrolmen Carley and Knierim of Taylor, Sheriff Valter T. White and Deputy Carl Black and Constable Ed Blackmon of Milano, surrounded the boys in the woods and took them into custody.

According to the office of Sheriff White they came to Milano in a freight train enroute to El Paso and remained around town Friday. That night they entered the J. D. Peeples store and took, pants, shoes, canned goods, a bolt of ducking and $1 in cash.

When arrested they were about one and a half miles from Milano in the woods and said they planned to catch a freight for the west Saturday night.

The robbery was reported to Office Deputy LeRoy Massengale by telephone early Saturday. Sheriff White and Deputy Black went to Milano immediately to investigate.

BRAZORIA JUDGE DIES IN MARLIN HOSPITAL

County Judge Oscar H. Phillips, 42, of Brazoria County died in a Marlin hospital at 10 a. m. Saturday of complications following an attack of influenza.

Judge Phillips was born in Milam County near Burlington, and was a graduate of Marlin high school. He studied law in Tennessee, was a banker in Freeport and also at one time in the sulphur business there. On January 1st, 1941, he took the oath of office for his second term as County Judge of Brazoria County.

Funeral services were held at 2:30 p. m. Sunday from the Baptist church in Marlin, Rev. Boyd of Angleton and Rev. W. O. Wright of Marlin officiating. Interment was made in a Marlin cemetery.

Surviving are his widow; a son, Oscar Hampshire Phillips; his father, J. T. Phillips of Marlin, a sister Mrs. Frank A. Prideaux of Graham; and six brothers.

Too Many Babies at Hospital; Staff Has To Borrow Baskets

Population figures are due for a rise if the present rate of births continues.

Cameron Hospital had a serious shortage of baskets this week and had to borrow a few to accommodate babies when seven blessed events highlighted the calendar.

Here are the proud parents and the babies as reported to the Daily Herald on Friday:

Mr. and Mrs. Rudolph Mayer, boy, Cameron Route 1, January 8th.

Mr. and Mrs. Hugo F. Horstmann, Buckholts, girl, January 8th.

Mr. and Mrs. Ralph Hubert, Minerva, boy, January 8th.

Mr. and Mrs. Arnold L. Rummel, Burlington, girl, January 9th.

Mr. and Mrs. James Terry, Cameron, boy, January 10th.

Mr. and Mrs. C. A. Morgan, Cameron, boy, January 9th.

Dr. and Mrs. C. G. Brindley, Cameron, boy, January 9th.

EPISCOPAL CHURCH

There will be no services on Sunday, January 19th, as Rev. J. P. Love will be in Houston attending the annual council of the diocese of Texas being held in Trinity Church.

G. R. Varner of Gause transacted business in Cameron Friday.

Sheriff White Warns All Marble Machines Must Be Out At 8 a. m. Friday; Gambling Will Be Stamped Out; Parents Warned About Their Boys

Sheriff Valter T. White issued a notice shortly after noon Wednesday that all marble machines in the city and over the county must be out by 8 a. m. on Friday, January 17th.

Gambling will be stamped out and warning is issued that strict enforcement is to be made at all times.

Parents who have young boys allowed to stay on the streets at unseemly hours, are asked to co-operate with the view of reducing juvinile delinquency.

In connection with the marble machines, Sheriff White said the courts have recently held that free game marble machines such as are now in orperation, are illegal and are gambling devices. These machines have been in operation here for a long time. The decision of the court has now made them a violation of law and Sheriff White will confiscate all machines not taken out by Friday morning.

The Grand Jury, it was said, had taken the same position and Sheriff White is carrying into effect the law in these as well as all other cases.

He asks the co-operation of everyone. To bring about effective enforcement of the law co-operation will be necessary and Mr. White trusts that co-operation will bring the desired results and it will not be necessary to arrest or prosecute.

Rotary Club Makes Award of Jackets To Football Squad Wednesday; Honorable M. G. Cox Makes Address Commending Team for Its Record

Jacket awards were made Wednesday morning to members of the Yoemen football squad who lettered.

The Cameron Rotary Club sponsored the award which was made at Chapel Hour.

W. C. Wiese, principal, opened the ceremony and introduced J. B. White, vice president of the Rotary Club. In a brief introductory talk the speaker M. G. Cox was presented.

Following the address of Mr. Cox, the Superintendent, E. A. Perrin acknowledged the gift of jackets from the Rotary Club and introduced Coach L. C. Wood who made the awards.

For many centuries mankind has admired and honored those individuals who, in seeking to attain the goals of their lives and ambitions, have the courage and stamina to take it on the chin with a smile, whether the blows sustained are fair or foul. All the world admires and loves those who will courageously fight for the right and who, though they meet reverses and get "down," are never "out" and who, after each setback, will get on their feet and cleanly and bravely press onward towards their goal. This kind of manhood is what the world of today and of tomorrow needs and will need in ever increasing numbers if civilization, as we know it, including our most cherished liberties set forth in our Constitution and amendments thereto, as the fruits of Magna Charta wrested from King John at Runnymede, are to be preserved, at a time when they are more seriously endangered than ever before in the history of civilization.

The entire citizenship of Cameron has looked with admiration and respect upon the 1940 Yoe High Football squad, who, as has been amply demonstrated in every contest, seem to possess in as great or greater measure than most others, the courage and fighting qualities so necessary if we reach our goals and preserve those idealogies of life and of government that are as dear to us as life itself. For this reason, one of our outstanding service clubs, the Cameron Rotary Club, whose motto is "Service above self," and whose roster is adorned by the name of Coach Wood and other members of the Yoe High School faculty, in its efforts to sponsor something worth while, reached the conclusion that it could do nothing more proper or more worthy of emulation than to sponsor the raising of funds to give sweaters to those members of the 1940 Yoe High football squad who, by their faithful, couragous and loyal efforts, have become lettermen and have, therefore, proven themselves entitled to receive such awards.

The Rotary Club, therefore, donated three sweaters, and raised the funds to pay for the others. It is but right that all should know the names of individuals contributing to this fund, and they are as follows:

Texas Power & Light Company.
Cameron Machine Shop.
Drayton McLane.
Community Natural Gas Co.
John Hays.
Cameron Fruit & Grocery Co.
Andy Vogelsang.
M. G. Cox.
Ray O'Neill.
First National Bank.
Citizens National Bank.
Judge Graham Gillis.
Niley Smith.
Coca-Cola Bottling Co.
Mrs. Guy T. Newton.
J. B. White.

Mr. Perrin, as Chairman of the Committee of the Cameron Rotary Club composed of Mr. P. W. Davis, President, Hon. J. B. White, Mr. John Hays and Mr. Fred Blake. I now have the honor and the pleasure of turning over to you, as Superintendent of the Yoe High School, the sweaters so richly earned by the letter-men of the Yoe High Football Squad for the year 1940, for distribution to those entitled to them. We regret that the manufacturers delayed delivery, but it was beyond the power of the Rotary Club or of this committee to prevent the delay.

The eyes of all will be upon those young gentlemen in their future lives. We are sure they will wear these sweaters worthily and as the Knights of Old wore their chivalric armor, and, like them, they will be ever ready to courageously and manfully fight for an uphold all things that are right and honorable and that are for the welfare and betterment of our country and civilization.

CITIZENS NATIONAL BANK NAMES OFFICERS

At the annual election of the Stockholders of the Citizens National Bank of Cameron, the following directors were elected to serve for the ensuing year: Rush A. Thomas, Niley Smith, W. O. Newton, Frank Monroe and Oxsheer Smith. This was a re-election of the same board that has served the bank for a number of years.

The directors re-elected the same officers who in turn retained the same employes with the result that the following officers and employes will serve the people during the year: Oxsheer Smith, president; W. O. Newton, vice president; Frank Monroe and Niley Smith, vice presi-

(Turn to page 4)

FIRST NATIONAL BANK ELECT OFFICERS

Election of officers and directors at First National Bank was an important item of business to begin the new year.

H. M. Hefley who began his services as a banker many years ago with this bank has been re-elected president and will direct its destinies during the coming year. Mr. Hefley is one of Texas' best known bankers and the institution under his leadership has made great progress during the years.

R. H. McIntosh, widely known Cameron business man, who has been associated with the bank for some years, is chairman of the board.

Mrs. S. W. Cheeves has been re-

(Turn to page four)

ALSO SEEKS KNOCK OUT OF POLL TAX

Governor W. Lee O'Daniel in his first message to the 47th Legislature, today among other things, asked for abolition of the poll tax and capital punishment.

The Governor is due to deliver another message to the Legislature Friday in which he may embrace recommendations for taxes to pay social security.

The Governor said he thought there should be a more strict enforcement of the liquor laws, that advertising on liquor should be stopped in dry territories and that he should have the authority to dismiss state employes.

The Legislature will not abolish capital punishment nor will it submit constitutional amendments effecting poll taxes, it was indicated.

CHAMBER OF COMMERCE ACTS UP ON BRIDGE

Cameron's Chamber of Commerce took a vigorous stand Tuesday night and voted to make a new bridge across Little River the big project for the year.

Much vigorous talk was engaged in. The directors expressed a sense of outrage over treatment accorded Milam County.

They will ask for a concrete bridge and also concrete trestles above flood tide across the bottom.

Recent publicity over treatment of the county is believed responsible for a cross section opinion in the community and may result in some good.

A mass meeting is to be called soon, it was learned. The Herald gets no news directly from the office of the Chamber.

A Committee to call a mass meeting and to take steps to get the bridge is as follows: F. G. Blake, E. A. Perrin, J. B. Henderson, Albert Collins, E. C. Cole, A. M. Horstmann, A. W. McCullin. Representatives and the state senator will be asked to co-operate also.

Cameron's Population Is 5040; Final Census Report Discloses

Cameron's city limits population is 5040 according to the final census report just released in Washington.

This figure includes only those who live within the limits of the city boundaries and does not include those who live in the several additions outside the city.

The total population of the city is well above 6000. The Chamber of Commerce did not make a census of the entire city, something that was urged by outside citizens at the time and which would have entailed little expense.

The City Council might well undertake to determine the exact population if means could be found within legal bounds.

The 1930 population of Cameron was 4565. The net gain for the city proper was 475. Actually the gain for the entire city including additions was approximately 1500.

FIRST BABY BORN

Mr. and Mrs. Rudolph Cyril Mayer are the proud parents of their first baby, a boy, who has been named Rudolph Cyril Mayer, Jr.

Rudolps Cyril Mayer, Jr., was born at the Cameron hospital on Wednesday, January 8th, and weighed 8 1-2 pounds.

The mother and baby are progressing well and their many friends are congratulating them on the blessed event.

GAMBLING RAID

Constable Pete Harwell on Monday raided a poker game in the Plocek bar. It was learned that ten were arrested. Names have been withheld by request of the court and the constable until all have been filed. It was said the cases would come up Monday for consideration before Justice Womack Brashear.

Basketball Coaches Meet and Arrange Schedule For Championship; Herald Cup Added Incentive

Meeting of the coaches of basketball teams in the County was held at the Yoe High School building Thursday evening. The purpose was to discuss plans for method of determining the county championship in basketball.

After much discussion it was decided to hold a tournament of the rural schools on February 8th in Cameron, then on February 14 and 15 the regular county-wide tournament will be held. In this tournament the three class A schools and the three class B schools and the first and second place winners of the County tournament will compete for the championship.

The Athletic Director, Charles M. Hicks, was authorized to engage the service of officials from the A & M college to officiate in the County tournament.

Much interest is being developed in basketball, especially since there is a very desirable trophy being offered for the county winner by the Cameron Herald. This cup was won by Rockdale last year and the county teams are making a strong effort to gain possession this year.

The following were present for the meeting: Dutton of Milano, Curry of Ad Hall, Miss Cooper of Maysfield, Superintendent Horstmann of Buckholts, Cloud of Jones Prairie, Moorman of Rockdale, Hopkins of San Gabriel, Ruggles, Wood and Hicks of Cameron.

The drawing for the schedule in the County Tournament was held and the results are as follows: Milano and Thorndale, Rockdale and Cameron, San Gabriel and Buckholts, and first place rural winner and second place rural winner.

These plans are all subject to the approval of the County Executive Committee of the Interscholastis League.

ROBBERY AT MILANO

The J. D. Peeples store in Milano was robbed last night. The robbery was reported to the Herald by LeRoy Massengale, office deputy under Sheriff White who with Carl Black was in Milano early this morning to make an investigation. No further details were available

WOMEN NEEDED FOR RED CROSS SEWING

The cutting committee of War Relief Production has thirty boy's shirts ready for sewing and earnestly requests that women in Cameron and over the county apply at the Winfield Dry Goods store today for work to aid in completing the quota for January.

Also a large number of baby layettes have yet to be completed and sweaters must be knitted.

Be sure you see the attractive window display of work done by the Milam County Red Cross chapter at Winfield's store.

Mr. and Mrs. Bill Alex Bonds attended the funeral of Mrs. J. B. Sears, widow of the late J. B. Sears, who at one time was pastor of the local Methodist Church, in Pittsburg this week.

N. W. Gandy of Marak transacted business in Cameron Monday.

ROOSEVELT OPENS PORTS TO BRITISH

Britain's great naval base at Singapore may soon be open to the war ships of the United States in the forthcoming war with Japan and co-operation with England in the far east when Germany launches her attack to win the war soon.

Although no definite conclusion had been reached it was certain that this would be arranged now that the United States has entered the war against the Axis powers.

At the same time in Washington it was said that President Roosevelt was contemplating giving the British port facilities in this country for repairs on ships damaged in warfare at sea.

This arrangement, it was indicated, would lead to a mutual exchange of port facilities by both countries and a close co-operation of the vast naval power of the nations.

Within the next few hours the details of the plan to aid Britain were expected to reach Congress. It was likely the United States may not require security but may follow the logical situation now determined by the trend of events and consider the contribution as America's part as an active participant in the war against Germany and Italy and Japan.

Aerial warfare was stepped up over night with both Germany and Britain exchanging blows in the air. American bombing and fighter planes were shattering the Italian army in Africa. These machines are said to be the best yet known to warfare for this maneuverability.

The Italians were in grave difficulties increased hourly as the British Hell on Wheels rolled across the desert to surround and destroy Italian armies.

From Berlin a new accord with Russia, said not to be a trade agreement was reported drawn up and ready for signature.

Bolshevik labor in America may be banned by congress, at least a bill is being prepared to outlaw strikes.

Deportation or barbed wire detention of Nazi and Italian aliens may begin any time because the government was said to have determined the status of all men who have been active or sympathetic with the Axis with records completed and their location known in advance of the war which is sure to come.

Submarines of the United States navy regarded as old have become suddenly important. Workmen are observing a 24 hour day schedule getting these crafts into service.

Mr. and Mrs. Leo O'Neill and daughter, Barbara were visitors in Cameron Friday night.

E. G. Stiles of Thorndale was a business visitor here Thursday.

Mrs. Walter Marek of Burlington visited relatives in Cameron Thursday.

Mr. and Mrs. I. C. Lawson visited their daughter, Miss Effie Blanche, student in Austin, Sunday.

W. H. Loftin of Fort Sam Houston was a week end Buckholts visitor.

JOIN ARMY

Two more Cameron boys have enlisted in the army. Frank (Barney) McLerran left the City this week for Kelly Field where he will study radio work, and Sherman L. Spalding has gone to Fort Sam Houston. Orville L. Davenport of Bryan who enlisted at the local recruiting station has also gone to Fort Sam Houston.

MORAW-PLACHY

Miss Milma Plachy, daughter of Mr. and Mrs. Frank Plachy, Sr., became the bride of August Moraw, son of Mr. and Mrs. Frank Moraw, in a double ring ceremony at St. Monica's Catholic church Saturday at 8:30 a. m. with Rev. George Duda performing the ceremony.

The bride who was given in marriage by her father, wore a gown of shell pink satin made in colonial fashion. The long puffed sleeves which fitted tightly at the elbow were set off with tiny covered buttons. The rippled blouse had a sweetheart neckline and the full skirt extended into a long sweeping train. A row of covered buttons streamed down the front of the dress. Her fingertip illusion veil was fastened to the head with clusters of pink carnations. In her arms she carried a showered bouquet of light pink carnations. Around her neck she wore a single string of pearls and carried a pearl rosary.

Miss Lillian Plachy attended the bride as maid of honor and Miss Mildred Michalka was bridesmaid They wore gowns of a deep pink wich were made similar to the brides dress with the exception of the train. They carried colonial bouquets of wine carnations.

Albert Moraw of Miami, Fa., attended his brother as best man and Frank Plachy was usher.

Miss Catherine Michalka played the wedding march and also at the nuptial mass which followed the marriage ceremony.

A luncheon was served at the home of the bride's parents after which the couple left for a short wedding trip.

Mr. and Mrs. Moraw will make their home in California.

RAY HUBERT BRASHEAR TO WORK IN AUSTIN

Ray Hubert Brashear who has been employed at the Swift Theatres, has accepted a position with the Texas Warrant Company in Austin. Ray Hubert left the City Sunday to begin work immediately. His many friends are glad to hear the good news and wish for him every success in the future.

Lawrence (Sugar) Schiller has accepted the position vacated by Ray Hubert.

E. B. Hyer, postmaster at Buckholts was a business visitor in Cameron Saturday morning.

Mrs. Jack Ledbetter of Quemada, is here on a visit with relatives. Mrs. Ledbetter formerly made her home in Cameron.

NEWS FROM MARAK

Miss Bessie Marek of Bryan spent the Christmas holidays with her parents at Marak.

Johnnie and Louis Slavik visited with Innocent Mikulec last Sunday. The afternoon was spent in hunting Texas Jack rabbits. Good luck favored the young hunters.

Frank Slavik and Willie Tepera who are stationed at San Antonio in the army spent Sunday here with their friends.

R. W. Kostroun and sons, August and Alphonse, were business visitors in Austin last week.

Improvements were being made at Marak school by the trustees during Christmas vacation. We wish to express them our sincere gratitude. The children were very glad to see the water well covered and looking its very best.

Rev. K. Kacer beloved pastor of St. Cyril and Methodius church at Marak was honored with a special program given by the school children commemorating his Name's Day on January 6th. Rev. Kacer showed his appreciation by treating the children to sweets.

OUR TOWN

(Continued from page 1)

plan to send each farmer his quota of cotton goods which he says would restrict production about one million bales and figures a million bales at $25 per bale. What fools we be. Nobody has yet devised a plan to do away with the surplus. Instead they cut at the production end. Who owns the surplus? The answer is the government of the United States and a few large exporters. If it was good economy to kill a cow why not burn a bale of cotton. It would be very simple. If the farmers of the south were turned loose this year with only a four million bale carry over and thus begin over a period of say five years to produce another virgin surplus, cotton would sell around 25c per pound. What about the export trade. Well, there is no export trade. The reason is that the government has fixed the price of American cotton by stabilizing and by loans and has removed it from competition in world markets. Cotton is a political weapon. American cotton was stabilized at 10c when the world market was 7c. We didn't have sense enough to see why we were not exporting cotton. Hard as it may seem American cotton must take its chances on the market and not be hoarded up by the farmers and the government. If it is necessary for us to sell at 4c per pound the surplus we have, well enough. It would be cheaper in the long run. The government has spent one and half billion dollars already in farm subsidies. The surplus on hand is 12,000,000 (twelve Million) bales. At $50 per bale it is valued at Six Hundred Million Dollars, less than half what the government has already paid out in bonus to farmers. Think it over.

Girls Are Advised To Build-Up For Relief

Lack of knowledge causes many a weak, undernourished girl a lot of suffering!

Many others, however, know how the headaches, nervousness, cramp-like pain of *functional dysmenorrhea* due to malnutrition are helped by the proper use of CARDUI.

Some take it a few days before and during "the time," to help ease periodic distress. But CARDUI'S principal use is to help increase appetite; stimulate the flow of gastric juice; so aid digestion, assist in building up physical resistance and thus help reduce periodical distress. Women have used CARDUI for over 50 years.

elected vice president and George Waller who came to the bank several years ago and whose influence has had much to do with its progress, has been re-elected cashier.

Other valued employes of the bank include three young men who have made a place for themselves in the financial world and whose services with the bank are highly esteemed.

They are: A. K. Gurecky, who is assistant cashier and who came to the bank several years ago as a business man in Cameron and whose services are highly appreciated. Wm. A. Sell holds the responsible position as a co-keeper of the records of the bank and Mr. Sell by reason of his outstanding ability and wide friendship, has made the bank one of its most valued employes of all time. R. A. Marak who with Mr. Sell keeps the books of the bank and serves as an assistant to the cashier, is a widely known young man and retains his place with the organization because of the high esteem placed upon his services.

Members of the board of directors are: R. H. McIntosh, H. M. Hefley, Mrs. S. W. Cheeves, George Waller and A. K. Gurecky.

From Egypt's bondage to the Plains of Abraham—in quest of LAND!

It was not enough that Moses should deliver his people from the yoke of the Pharaohs—there must be land; there must be a solid foundation upon which a people may worship freely. So man's search for Freedom has been in a large sense of seeking for land. For in reality there can be freedom for no more people than the land can feed—Amercia's riches lie in the abundance of her lands, lands that her people own!

LAND IS WEALTH

What is yours in this world? You have a car, clothes, a little jewelry, and perhaps some cash and securities in the bank. But there is only one durable possession that a man may own, and that is LAND. Is there a part of this American earth that you can call your own?

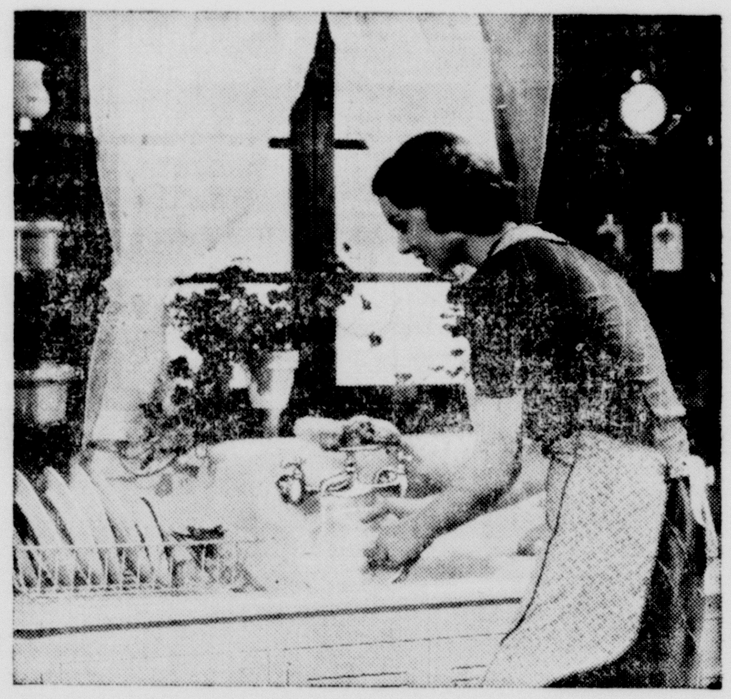
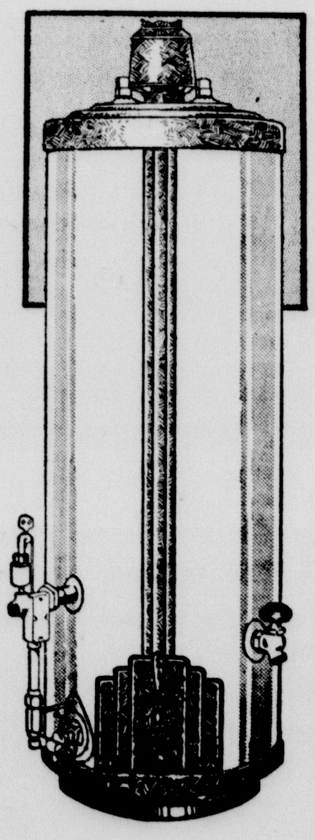
Easy Going
WHEN THERE'S A PILE OF DISHES TO CLEAN UP



Gas-Automatic Hot Water Service Saves Work . . . Saves Money!



Somebody has figured out that, before fifty, the average housewife washes 1,129,267 pieces of glassware, chinaware, silverware and cooking utensils. Modern housewives figure that they might as well make this work easier. So, they depend on their gas service operating through the efficiency of a modern automatic water heater for help. Hot water and plenty of soap clean faster. The quickest method of having hot water is gas-operated automatic heater which supplies it instantly at the turn of the faucet. And because of its efficiency and the low-cost of gas service it supplies abundant hot water for only a few pennies per day.

CELEBRATES 5TH BIRTHDAY

Joyce Winona Tuma entertained her friends this week in honor of her 5th birthday. Wilma and Jimmie Dick, small sister and brother of honoree, met guests and presented each with a balloon. Refreshments were served and plate favors were cellophane bags of mints. The following were present: Shirley Smith, Mary Lynn Critichfield, Nora Marie Parma, Gloria and Ronald Gregory, Jean and Jerry Tuma, Yvonne Storey and Jean Audrey Richardson.

Cameron's White Sparrow Named "Jackie White" By Committee From Business Women Saturday

Cameron's now famous white sparrow has a name today. It's "Jackie White."

The name submitted for the sparrow was sent in by Mrs. D. H. Slaughter in Cameron.

The sparrow was named by a committee of three from the Business & Professional Women's Club. The committee was named by Miss Lillian Atkinson, President and the report was brought to the Herald Saturday morning by Miss Delphya Scott, chairman of the committee.

"Jackie White" was flying about the streets today, lording it over the other Sparrows, and why not. He's important now, quite a fixture in Cameron and his fame has been heralded far and wide by newspapers and radio.

Many names were submited. The committee reached its decision after a short deliberation and here is how they arrived at the name: Fred Jackson at the Blue Bonnet Cafe has been feeding the sparrow for several years and so "Jackie" begins the name. J. B. White, publisher, first introduced the sparrow to the world by a number of news stories and so the committee added "White."

The Herald today expressed its appreciation for the splendid interest shown in this little bird and the part played by the Business Women is most commendable.

"Editor Cameron Daily Herald, J. B. White:

"We the committee appointed by the President of the Cameron Business & Professional Women's Club, Miss Lillian Atkinson, after canvasing the many fine names that have been sent in for a name for the White Sparrow that spends its winters in Cameron, and has been fed by Fred Jackson and made popular by "The Midget Daily, J. B. White, editor, have chosen the name:

"JACKIE WHITE."
"Committee,
"Delphya Scott, Chairman.
"Mrs. Sedalia Payne.
"Lalla Meyers."

BRIDE-ELECT IS ENTERTAINED HERE

Complimenting Miss Dorothy Kidd, whose marriage to Dr. Robert Rhode will occur on January 24th, Mrs. Dwight Moody and Mrs Morris Cross, the former Miss Frances Hobson, of Austin entertained with a dinner party and miscellaneous shower at Cato's Coffee Shop on Saturday evening at 7:30 o'clock.

Observing the chosen colors of the bride-elect, a large starched lace basket containing white and pink sweet peas centered the dinner table and sprays of fern formed a diamond shape about the basket. At the points of the diamond were small figures dressed as a bride and groom. A full course dinner was served and tiny sweet pea nosegays were used as plate favors. Following this was the presentation of the gifts to the bride in the form of a treasure hunt.

Fourteen of Miss Kidd's friends were present and she expressed her sincere thanks to all for their gifts.

MARIE FORD MAKING HIGH SCHOLASTIC AVERAGE

Denton—Miss Marie Adell Ford of Cameron maintained more than a B average in all her subjects at Texas State College for Women and is entitled to class exemption this semester. Students with this high sholastic average make appliciation in the Reigstrar's office and following approval from that office are not subject to compulsory class attendance.

Miss Ford is the daughter of Mr. and Mrs. Joe Ford of Cameron. She is majoring in business administration and is a freshman student at the college. Only 200 students of the total 2500 enrolled received the privilege of class exemption for the semester.

Vegetable Laxative Makes Happy Friends

Here's a laxative that usually acts thoroughly as harsher ones but is a gentle persuader for intestines when used this way: A quarter to a half-teaspoonful of spicy, aromatic BLACK-DRAUGHT on your tongue tonight; a drink of water. There's usually time for a good night's rest, with a gentle, thorough action next morning relieving constipation's headaches, biliousness, sour stomach, bad breath.

BLACK-DRAUGHT is a splendid combination of vegetable ingredients, chief of which is an "intestinal tonic-laxative", that helps impart tone to lazy bowel muscles. It's economical. 25 to 40 doses: 25c.

Poage Chosen for Important House Farm Committee

Washington, Jan. 13—Representative Poage (D-Tex.) has been selected for membership on the house agriculture committee, it was learned reliably today.

The selection was made by the house ways and means committee and must be confirmed by house Democrats in caucus.

Poage would fill a committee vacancy created by the resignation from congress of Federal Judge Marvin Jones, former Texas representative and chairman of the farm body.

JOLENE LINDLE TO WED FEBRUARY FIRST

Many friends in Cameron of Miss Jolene Lindle will be glad to hear the news of her approaching marriage to Richard H. Kinkel of Fort Worth on February 1st at the Sacred Heart Church in San Angelo.

Miss Lindle is the daughter of Mr. and Mrs. J. A. Lindle. The Lindle's were residents of Cameron for many years and from here moved to San Angelo where they now reside.

Mr. Kinkel, son of Mrs. Josephine Kinkel of Dallas, attended Texas A & M college and is a draftsman for the engineering firm of Freeze and Nichols. Miss Lindle is a San Angelo High School senior.

Texas Population 6,414,824 Shown by 1940 Census; Cameron City Limit Population is 5050; Milam County Loses 4795 Figures Disclose in New Poll

Washington, Jan. 10—Texas' 1940 population, growing at a faster pace in urban places than in rural acreas, was 6,414,824, final figures released by the census bureau of the department of commerce revealed Friday.

The 1930-1940 percentage of increase was 10.1 as compared with the 1920-1930 figures of 24.9.

Houston with a population of 384,514, was the state's largest city and second was Dallas with 294,734; third, San Antonio, 253,854; fourth Fort Worth, 177,662; fifth, El Paso, 96,810; sixth, Austin, 87,930; seventh Galveston, 60,862; eighth, Beaumont, 59,061; ninth, Corpus Christi, 57,301; tenth, Waco, 55,982.

Next in order came Amarillo, 51,686; Port Artur, 46,140; Wichita Falls, 45,112; Laredo, 39,274; Lubbock, 31,853.

44 Above 10,000

The combined population of Texarkana in Texas and Arkansas was 28,840, with 17,019 in Texas and 11,821 in Arkansas. Altogether there were 44 cities above the 10,000 class.

Both rural and urban population growth in the state was at a slower rate from 1930 to 1340 than in the previous deade, but the state remained preponderantly rural despite the urban increase. The percentage of urban population in 1940 was 45.4 as compared to the 41 of 1930.

Of the cities listed above the 10,000 class, nine reached that size since the 1930 count. They were Borger, Bryan, Denton, Highland Park, Longview, McAllen, Terrell, Unifersity Park and Victoria. 38 of the 44 showed increases between 1930 and 1940, and University Park's 244.5 per cent growth was the largest. University Park and Highland Park are both separate municipalities contiguous to Dallas.

134 Counties Gain

One hundred and thirty-four of the 254 counties gained and one, San Augustine, the final figures showed, remained constant.

Census figures for cities of 10,000 population or more included Waco, 1940, 55, 982; 1930, 52,848; Bryan, 11,842 and 7814; Cleburne, 10,558 and 11,539; Corsicana, 15,232 and 15,202; Palestine, 12,144 and 11,445, Temple, 15,344 and 15,345.

County by County

Figures for counties included McLennan, 1940, 101,898; 1930, 98,682; Bell, 44,863 and 50,030; Bosque, 15,761 and 15,750; Caldwell, 24,893 and 31,397; Comanche, 19,245 and 18,430; Coryell, 20,226 and 19,999; Ellis, 47,733 and 53,936; Falls, 35,984 and 38,771; Franklin, 8378 and 8494; Freestone, 21,138 and 22,589; Hamilton, 13,303 and 13,523; Hill, 33,355 and 43,036; Johnson, 30,384 and 33,317; Limestone, 33,781 and 39,497; Milam, 33,120 and 37,915; Navarro, 51,308 and 60,507; Robertson, 25,710 and 27,240 and Williamson, 41,698 and 44,146.

Following is the population of incorporated towns in central Texas as in the 2500 to 10,000 bracket (first figure gives 1940 population, second 1930 population.)

Belton 3572, 3779; Brenham 6435, 5974; Cameron 5040, 4565; Comanche 3209, 2435; Dublin 2546, 2271; Ennis 7087, 7069; Gatesville 3177, 2601; Georgetown 3682, 3583; Hamilton 2716, 2064; Hearne 3511, 19,256; Hillsboro 7799, 7823; Marlin 6542, 5338; Mart 2856, 2953; Mexia 6410, 6579; Navasota 6138,5128; Taylor 7875, 7463; Teague 3157, 3509; Waxahachie 8655, 8042.

David Stach of Brooks Field was a week end visitor here of relatives and friends.

OBSERVES 85th BIRTHDAY

C. H. Ruby, a young man of Camcorn was celebrating is 85th birthday Monday.

"I'm not working today," said Mr. Ruby as he walked into the Herald office Monday, looking very spry and very happy. "It's my birthday," said he. He doesn't look to be 85 and his spirit is high. He is a rare pioneer. He still retains a sense of humor and the world has lost much because men have lost their sense of humor. Even nations are now figthing to retain their sense of humor.

Mr. Ruby was born in Kentucky, Davis county. He came to Texas in 1876, settling near Port Sullivan. He moved to Cameron in 1881. He still retains accurate memory and knowledge of the stirring events of the old days in Cameron.

DOES FORD PAY GOOD WAGES?

HERE ARE SOME FACTS about Ford Labor.

During the year ended November 30th, 1940, the Ford Payroll throughout the United States averaged 113,628 hourly wage earners, not including office employes, students, or executives. They were paid $185,105,639.12. On this basis, the average annual wage was $1,629.05.

According to the latest available government figures, the annual average wage of all workers in employment covered by old age insurance law was $841.00.

If the 45,000,000 workers of this country received the same average wage as Ford employes, they would have had additional wages of more than $35,000,000,000, thus increasing the national income about 50%. Think what such an increase would mean to the workers of this country and to the American farmer, whose prices are based on the national income.

Wage scales in the Ford Rouge plants are divided into three classifications:

Unskilled . . .
Minimum hiring wage . 75c per hour

Semi-skilled . . .
Minimum hiring wage . 80c per hour

Skilled . . .
Minimum hiring wage . 90c per hour
Higher wages are in consideration of ability and years of service.

Minimum wage scales for unskilled labor at the Rouge plant are the highest in the industry. Top wages for skilled labor compare favorably with, or are higher than, wages in other automobile plants.

Now some facts on Ford labor conditions:

Not only are sanitation and other health conditions the best in the industry, but Ford also leads in safety devices for the protection of employes. Proof of this is found in the following comparison of compensation insurance costs:

The national average rate in automotive manufacturing plants as computed by the National Association of Underwriters is in excess of $1.50 premium on each $100 payroll. The Ford cost of workmen's compensation is less than 50c.

This indicates that the chance of injury in a Ford plant is much less than in the average automobile plant.

The Ford Motor Company has no age limit for labor, and in fact deliberately attempts to keep older workers working. The average age of Ford workers at the Rouge and nearby plants is 38.7.

A recent check-up shows that nearly one-half the workers at these Ford plants were 40 or over, falling into these age groups:

25,819	between 40 and 50
14,731	between 50 and 60
3,377	between 60 and 70
417	between 70 and 80
12	between 80 and 90

In addition to the so-called regular employes, the Ford Motor Company has hired, and now has on the payroll, at the same regular hourly wage, thousands of workers who are blind, crippled or otherwise incapacitated for normal productive work. They are not selected for their ability to build cars or to maintain the plant. They are on the payroll because of Henry Ford's belief that the responsibility of a large company to labor goes beyond the point at which the unfortunate worker can no longer produce profitably.

The above are facts. They are open to anyone who really wants to deal in facts. Anyone who wants to get a job . . . buy a car . . . or place a national defense contract on the basis of fair labor treatment must place Ford at the top of his eligible list.

MUST DO WHAT THE BRITISH ARE DOING

A blunt statement from Secretary of State Cordell Hull said that the United States must be ready to do what England is now doing if the war is to be won.

In his statement which lambasted the Axis powers Mr. Hull went on to say that Britan will lose the war unless aid is given by America.

Included in his condemnation of Germany and Italy was a slap at Japan. He said that if Germany wins the war they can all easily cross the Atlantic.

A significant statement came from Moscow printed by the Soviet press which said that Britain is preparing a knockout blow against Italy in the Mediterranean Sea.

From Tokyo came the news that Japan is making some sort of move to formulate new policies. There were no details. Some thought Japan may be considering a more conciliatory attitude toward the United States. If Japan elects to intensify the strained relations between this country and Tokyo she might do so by fulfilling the terms of the Rome-Berlin-Tokyo Axis, whatever they may be.

Great Britain today announced that 3,000 American bombing planes will arrive in England within the next few days.

There was a lull in the African war as Germany and Britain exchanged blows in the air with the Royal Air Force bombing four Nazi bases in Southern Norway.

The Greeks are reported to be making slow advances and may be in severe difficulties because of increased Italian resistance.

Cameron Loses NYA Office; Also To Be Under Hearne WPA

The Daily Herald learned Friday that the NYA office adminstered here by Harvy C. Yoe for the past year or more has been discontinued and Mr. Yoe has been transfered to Brenham.

The NYA interests in this county will be administered out of Temple or Waco, it was understood.

It was also rumored here that a WYA office, possibly a district set up would administer aid to Cameron and Milam county out of Hearne. This is subject to confirmation.

With the district highway engineer located in Bryan and a District Government agency in Hearne to administer WPA funds, it might apper that Cameron has not only lost face but may actually be pushed out of the picture. Unfortunately in these latter days a community gets just about what it goes after and is willing to fight for.

EXTENSION COURSE

RAINFALL IS 1.81

Little River was rising rapidly today and might possibly reach flood stage tonight, it was reported here Tuesday by R. A. Tag, local government observer

Southwestern Co-Ed Killed When Hit By Train On Bridge

Georgetown, Jan 12.—An outing of Southwestern university students ended in tragedy this afternoon as Miss Gloria Hawker of Teague, 18 year old junior, was killed when she was hit by a southbound Katy passenger train on a railroad trestle one and one-half miles northeast of Georgetown on the San Gabriel river.

Three boys and three girls, all students at Southwestern, were going on a picnic in honor of Miss Hawker's 19th birthday Monday when the accident happened.

The three couples were on the trestle, walking across when the train was seen heading toward them. They apparently started running across the bridge and Miss Hawker was mangled by the train when she fell.

None of the others were injured, all of them being able to get off the trestle before the train hit them.

Others in the party were Miss Elizabeth Harmon, who barely was missed by the train; Marvin Henderson of Georgetown, Miss Jean Tyree of Rosebud, Sam Tyson of Cameron and Frank Sehong of Cameron.

Miss Hawker was the daughter of Mr. and Mrs. Herman Hawker, prominent Teague residents. The funeral probably will be Monday or Tuesday with burial at Teague.

Four Trials Set For District Court Here Thursday

O. H. Lawrence and John Janota, indicted by January term of Grand Jury, will be tried in District Court here Thursday, January 16th. Both are charged with driving while intoxicated.

Two other men will also face trial Thursday, Bennie Smith, negro, charged with assault and intent to murder Charlie Green, another negro, in a shack in the Flat, and Alfred Punchard, charged with being an habitual criminal.

Mr. and Mrs. W. H. Tucker of Temple, spent Monday here with her sister, Mrs. W. P. McCall. Mr. Tucker conducts a furniture store in Temple.

T. D. Ferguson of Gause was a business visitor here Monday.

G. R. Varner of Gause transacted business here Monday.

L. S. Cunningham of Gause was a Cameron visitor Monday.

JUDGE CRISWELL HURT

Judge D. R. Criswell of Buckholts, veteran justice of peace and widely known citizen, was painfully injured Sunday afternoon in Buckholts when his car plunged through a plate glass window in the S. M. Corley store.

Judge Criswell, driving a Model T Ford, pushed in the wrong clutch and the car shot forward instead of reverse.

It was reported here Monday that approxiately $50 will be required to repair the glass front of the building.

J. W. Wilkerson of Minerva was in Cameron Saturday morning on business.

Mrs. J. W. Sykes is seriously ill at the local hospital. Her condition was reported to be critical Monday.

Construction of Five Bridges in County To Begin January 16

Judge Jeff T. Kemp announced today that he had received word this week from J. F. Minter of Austin, district director of operations for WPA, that work will begin on Jan. 16, on the timber bridge construction program. This project includes five bridges to be built over creeks in the western part of the county to aid traffic under ordinary flood conditions. The work will be under the supervision of Patrick H. Tidwell assisted by William H. Camp, Jr., assistant project superintendent.

Mr. and Mrs. Ralph Michalka and daughter, Mildred and Dorothy Richter and Lillian Plachy visited Miss Valeria Cernocek of Schulenberg Sunday.

TWO CAMERON BOYS ARE ARRESTED IN BUCKHOLTS

Fred Trojan and Hubert Baggerly of Cameron were arrested Saturday night by Constable Elimar Horstmann in Buckholts and charged with disturbing the peace.

Constable Horstmann reported the arrests to the Herald Monday. Baggerly paid a fine of $15.50. Both men were placed in county jail following their arrest Saturday night.

AMERICA now has...

twice as many telephones as in 1920... twice as many calls... faster, more dependable service

The past 20 years in telephone history are marked by constant progress. Bell System workers, *300,000 strong*, still pioneer.

Your service now is faster . . . clearer . . . more dependable. In the territory this company serves, for example, your local calls go through in only three-fourths the time it took just two decades ago . . . long distance calls in one-seventh the time. Coast-to-coast calls often are connected in one-twentieth the time and cost one-fifth as much.

Today, America's telephone system is better armed to meet the fury of disasters. Storms that once silenced hundreds of telephones now disrupt service only slightly... and often not at all. Damage from major catastrophes is repaired in hours and days . . . instead of weeks and months.

Today, America's telephone force... more experienced, better equipped . . . is better than ever able to furnish fast, accurate, and dependable telephone service to the nation.
